Mr. Rios,

The Monterey Bay Air Resources District (District) submits the attached proposed Title V Permit and the Statement of Basis for the renewal and significant modification of the Title V Permit for Aera Energy LLC for their existing crude oil production facility located at 66893 Sargent Canyon Road in San Ardo.

The public comment period will begin on January 19, 2018 and will end on February 18, 2018. The District requests that the 45-day EPA review start on January 19, 2018 and end on March 5, 2018.

If you have any questions regarding the proposed project, please feel free to contact me.

Thanks,  
Armando Jimenez
